The kitchen and living space are open and flowing, and contain granite countertops, GE, Meile, and Subzero appliances, and floor-to-ceiling patio doors leading to a private, lush garden patio. Even with the open concept, sufficient separate rooms allow a formal dining room, and a gorgeous light-filled office with built-in bookshelves and subtle plaster ceiling. The main floor also includes an expansive laundry room, mudroom/drop zone, and FULL bath with a convenient stall shower to rinse before dinner after hockey practice. Upstairs, the spacious and luxurious primary suite includes a Euro-style shower, a large soaking tub, dual vanities, and large custom walk-in closet.
